

## Thumbelina - The Golden Age of Illustration Series

By Hans Christian Andersen

Pook Press. Paperback. Book Condition: New. Paperback. 82 pages. This volume of the Golden Age of Illustration Series contains Hans Christian Andersen's *Thumbelina*, first published in May of 1835. This classic fairy tale has been continuously in print in different editions since its first publication, with many, many, different artists illustrating the story over the years. This edition features a beautiful collection of the best of that art, taken from the likes of Arthur Rackham, W. Heath Robinson, Harry Clarke, Mabel Lucie Attwell, Milo Winter, among others. This series of books celebrates the Golden Age of Illustration. During this period, the popularity, abundance and - most importantly - the unprecedented upsurge in the quality of illustrated works marked an astounding change in the way that publishers, artists and the general public came to view this hitherto insufficiently esteemed art form. The Golden Age of Illustration Series, has sourced the rare original editions of these books and reproduced the beautiful art work in order to build a unique collection of illustrated fairy tales. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*It is one of the best pdf. It is written in straightforward words and never difficult to understand. It's been designed in an extremely straightforward way and it is just following what I finished reading this book through which basically modified me, affect the way I believe.*

-- Deonte Abbott III

*Most of these pdfs is the ideal pdf available. It is definitely basic but shocking within the 50 percent of your book. I am just easily could get a delight of reading through a written book.*

-- Jany Crist
