Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Excursion Among the Poets The influences which, during the last half century, have modified the rigor of the prevailing creeds of Christendom, have not been few nor fleeting. Theology has relaxed its grim features, and tacitly abandoned or put out of sight, one by one, tenets at variance with the advanced intelligence and religious sentiment of the ago. The Poets have, with some exceptions, been in advance of the theologians in giving us ideas of Providence and a future life, consistent with the wants and analogies of our nature, and not at variance with the teachings of revelation. Poetry, from the time of Job, has been the mother tongue of devotion and prophecy; and the poets, in their highest moods, have generally been true to those inmost assurances of the soul, which represent a God and an after-life in keeping with our best ideas of omnipotent benignity and love. It will require but a casual glance to see that this is no sectarian book. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
