Brand New Book ***** Print on Demand *****.Excerpt from Laurentia: A Tale of Japan The incidents embodied in the following little tale, though for the most part founded on fact, are not related with strict regard to historical accuracy, or to the chronological order in which they took place. It has been attempted to give a picture of the Church of Japan in the sixteenth century, and to illustrate in the shape of a narrative the peculiar character of the Japanese converts to Christianity, rather than to compose a regular historical tale. But it may be safely asserted that not one trait of heroism, not one act of self-sacrifice, not one sentiment of exalted virtue from the lips of priest or catechumen, woman or child, which finds place in these pages, but has its counterpart in the annals of a Church founded by a saint, fruitful in the most remarkable virtues, and which, after a hundred years duration, did not die away from the decline of faith or the lukewarmness of its members, but was suddenly extinguished as it were in a sea of blood, leaving behind it glorious records of its existence, but not one priest to carry on the service of religion, and but very few Christians to perpetuate its memory.
