

How to Achieve Super Word Power

By Ajay Rai

Orient Paperbacks, New Delhi, India. Softcover. Book Condition: New. The hallmarks of success have one thing in common: a super word power, a command over vocabulary that reflects clarity of thought and precision in spoken and written expression. The more words you master, the greater is your control over success. You are not apt to be confused by the jargon increasingly found in professional, academic and bureaucratic life. You are in a healthier position to understand and evaluate what you read and hear. You become more comfortable in meetings and find it easier to speak in public. You begin to communicate on a more satisfying and a deeper level. And that is a proof of success. This book is designed and programmed to put you a step ahead. By the time you finish the book, you would have learnt and acquired over 500 new words, more than an average adult acquires in several years, words that will put you ahead of others.
