Safe Child Dangerous World is a unique compilation of information designed to aid parents, grandparents and other caregivers in keeping children out of harms way. All sixteen chapters are devoted to teaching safety concepts to young children and their families. There isn't a day that passes where we are not confronted with screaming headlines about pointless, preventable injuries to and death of young children and, in some instances, whole families. As I am writing this, a glaring headline from the U. S. Department of Transportation National Highway Safety Administration (NHTSA) dated September 19, 2013, states that more than a third of children under age 13 who died in passenger vehicle crashes in 2011 were not in car seats or wearing seat belts. That's right! 2011 and more than one out of three caregiver drivers failed to recognize the dangers inherent in failing to use seat restraints for children and themselves. Multiply these needless tragedies by countless others -- children being suffocated in their parents' cars, drowning in unsecured home swimming pools, being kidnapped in malls, playgrounds and other public places, being molested by people they trusted, being bullied by their peers -- and you can begin to grasp the scope of this life-saving handbook. Safe Child Dangerous World will get your child through minor scrapes and major disasters. Part I - Avoiding Danger in Public Places - teaches your child how to be safe in malls, parks, playgrounds, crossing streets, riding bicycles, getting to and from school, etc. It provides vital information about water safety, automobile safety and handling summer outdoor threats. Part II - Dangers in the Home - teaches children what to do in hazardous situations--fire,...
