The Kid: What Happened after My Boyfriend and I Decided to Go Get Pregnant

By Dan Savage

Penguin Putnam Inc, United States, 2000. Paperback. Book Condition: New. Reissue. 201 x 132 mm. Language: English . Brand New Book. Dan Savage's nationally syndicated sex advice column, Savage Love, enrages and excites more than four million people each week. In The Kid, Savage tells a no-holds-barred, high-energy story of an ordinary American couple who wants to have a baby. Except that in this case the couple happens to be Dan and his boyfriend. That fact, in the face of a society enormously uneasy with gay adoption, makes for an edgy, entertaining, and illuminating read. When Dan and his boyfriend are finally presented with an infant badly in need of parenting, they find themselves caught up in a drama that extends well beyond the confines of their immediate world. A story about confronting homophobia, falling in love, getting older, and getting a little bit smarter, The Kid is a book about the very human desire to have a family.
