Invocations of a poetic muse is a poetry book by James Darwin Smith II. You will see poems of years ago to poems of not that long ago. Poetry is a love and passion for James Darwin Smith II. He has been writing for years in which he did not share till 2000. So here you will see a collection of some of his work. Poetry in fact has done so much for him in his life. He invokes as much as he can. Bringing forth many different poems expressing from his heart, mind and soul. A voice if you will for him. Something that helps him in life. From love to depression to light and beyond. James writes whatever he feels at the moment; wherever his muse travels he listens to it. He grows from it. These are poems in fact by someone who is anti-social in presence. So it gives him a huge voice. A voice of words he can share with the world while exploring the freedom of expression for the love of poetry and the honor he has from it being a prevalent in his life as it is. Such a release it is. Creating, sharing the passion that burns inside. The essence for this very muse gifts him. Makes him humble in where he is overjoyed by creating words the best that he can. Growing up he was silent. So silent was too shy to speak. Wrote poetry as a young kid but never really shared any of it. Threw it away sadly. But come 2000 he kept every write. So this is a collection of some of those poems from then to now....
