Peter Muir, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.What if magic could help you to achieve good health, lasting happiness, true love and personal success? What if you could discover that you have all the magic you need lying dormant inside you and just need to be awakened? Peter Muir s first memoir, Pride and Prejudice Prevail, is written to help teenagers and adults who want to improve their health, happiness, love and success. Its unique advantage is that it is based on the author s actual life experience. You will read extra-ordinary stories of his life s ongoing journey of transformation which started with his acute awareness in childhood of the inequality, prejudice, discrimination and injustice that prevailed in his family, community, society and his country Jamaica. In 1937 he was born, the fifth of eight children, into a family so poor that they could not afford to send him to high school. How then, if not by magic, did he graduate from Harvard University in 1961? The first memoir, Pride and Prejudice Prevail, tells how he overcame poverty, severe illness and tremendous obstacles to achieve a good education, true love, financial security and a long life. It seeks to explain the factors that generated his philosophy, his passion and the goals that propelled him to have amazing love, financial success and lasting happiness, no matter what. Peter Muir s book, Mastaclasse Magic, True Journey to Health, Happiness, Love and Success is a series of memoirs that tell of his struggles to overcome bad parenting, poverty, unhappiness, ill health, religious dogma and scarce opportunities for quality education, to achieve the ultimate goal of human beings; self-love, self-esteem, self-fulfillment, financial security and personal success. In...
