VEGETARIANISM AND OCCULTISM

[DOWNLOAD PDF](#)

COSIMO CLASSICS, United States, 2007. Paperback. Book Condition: New. 196 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Invalidating its sometimes sinister connotation, C.W. Leadbeater defines occultism as the study of the hidden laws of nature, thereby revealing its role-here intertwined with vegetarianism-in the pursuit of spiritual truth and wholeness. In this pamphlet, first published in 1913, Leadbeater, always keeping in mind the practical issues that arise and consistently providing scientific support, provides a thorough review of vegetarianism and the many ways it benefits the body and spirit through nutrition, purity, and harmony with nature. English clergyman turned spiritualist CHARLES WEBSTER LEADBEATER (1854-1934) was ordained as an Anglican priest, but later joined the prominent Theosophical Society and traveled to India to study alternative spiritual and occult practices, eventually settling into his life as a clairvoyant and author. His other works include *Man Visible and Invisible* and *The Science of the Sacrament*.
