Trending Collectibles: 2015 Military Aviation Review is the first annual market report designed specifically for collectors of aviation related militaria and historical flying kit from World War 1 and World War 2. The report features recent sales of aviation collectibles based on the actual sales price. The information has been gathered from internationally known, well-respected, reputable dealers and private collectors. It includes common and not-so-common items, with prices ranging from a few dollars or pounds to several thousand, each with a colour photograph and brief description. It is designed for quick and easy reference by both collectors and sellers, and intended to help establish fair market values as well as an understanding of how those values change over time. REAL ITEMS. REAL SALES. ACTUAL PRICES. The Army, Navy and Air Forces of the United States, Great Britain...
