

## Karma

By Jeffrey Armstrong

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. In this compelling description of the ancient science of karma, award-winning author Jeffrey Armstrong explores reincarnation, the deeper mysteries of the soul, the laws of nature, and the ways in which cause and effect control our lives. In the 21st century, we frequently attribute events to science or to mechanical cause and effect. However, the Enlightened Masters believe that such events are actually brought about by the purposeful action of countless devas, or divine beings. These devas surround us in all we do and are constantly deciding upon and delivering to us the results of our actions. These long-secret laws of karma, excavated from the Vedic wisdom of India, will inform your decisions and broaden your spiritual vision, revealing the profoundly interconnected nature of all that exists. Printed Pages: 100.
