Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

A TREASURY OF OLD-FASHIONED CHRISTMAS STORIES Each Christmas, bookstores have displayed stacks and stacks of new Christmas books. Since this is so, why then should we come out with an eighth Christmas in My Heart Good question! After all, are these books different from most of the others Dr. Wheeler has been asked that question by media interviews over and over, and this has been his standard response: I feel strongly that life is too short for me to waste my time reading stories that dont take me somewhere, dont do anything for me, dont make me a kinder, more loving, more empathetic person. Most Christmas stories are Santa Clausy and seem rather sterile to me. In order to make it into one of my Christmas collections, a story must be Christ-centered in terms of values, and it must speak to my heart, move me deeply, force me to reach for my Kleenex box. It is this heart-tugging quotient, I submit, that has kept this series alive for eight years now. Stories in this book include: The Beloved House, Christmas in the Heart, A Pint of Judgment, Special Delivery, plus 10 more. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
