Looking back upon this extraordinary experience. I have few regrets. And those would be the times when I concealed and repressed my observations and true feelings out of fear of losing a most precious person. In reflection.these have been the most creative two years ever. I was awakened to my calling again (acting and writing) and my health certainly is an example of the path I chose to follow. I wish for each of you to find the courage to go beyond your comfort zone. Oh yes, we ll meet again and share our adventures with all that includes. And connected to the best that has been given to me by God, I feel exhilarated by all that took place and most importantly.I still believe in the Power of LOVE.
