After five years on the police force, a bullet in the kiester from a vengeful gangbanger convinces Walt that it's time to turn in his badge. Walt realizes once again that retirement just isn't his cup of tea, and with a little urging from his brother-in-law, decides to become a private investigator. For five years he had served the Lady Justice wearing a white robe and a blindfold and followed the rules, but he soon discovered that the P.I. business was leading him across the line into the dark side and a completely different set of rules. When Walt comes face to face with the Lady Justice on the dark side, dressed in a tight skirt, fishnet stockings and high heels, he is faced with decisions that will change the course of his life.
