Wipf Stock Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Description: Many Christians long to know God more deeply but find themselves limited by old understandings and ways of knowing. Practicing the Presence of Jesus rediscovers the centuries old Ignatian tradition of placing oneself into the gospel story to experience the presence of Jesus in a vital and real way. Each chapter explores another angle to come to the stories, while remaining true to the scripture. Irene Alexander gives examples of her own retellings, and real life interactions with the gospels to illustrate the process and make it accessible to contemporary readers. Readers will be led through a process of entering the stories themselves, so that they connect with the Jesus, human and divine, in the present reality of their daily lives. Relevant for new believers as well as those who have known God for decades, these stories introduce readers to a vibrant way of being present to the reality of our God. And where we can hear the invitation to become a renewed and enlarged self in the grace of Christ and the generative work of the Spirit. --Charles Ringma Author of Seek the Silences with Thomas Merton and The Seeking Heart: A Journey with Henri...
