By Megan Bell

MSB Goldens, LLC. Hardcover. Book Condition: New. Hardcover. 34 pages. Dimensions: 10.2in. x 8.1in. x 0.4in. Brody is a 5 year old Golden Retriever who is a Reading Tutor at a local elementary school once a week. Over the course of an hour, four or five children visit Brody and read aloud to him. He lies quietly on his blanket and listens to the stories without interrupting, correcting or judging. It's a treat for students to see Brody each week. They often ask for an extra minute to pet Brody, see his tricks and reward him with pets and hugs for his great job of listening. Brody has to navigate the busy school hallways without chasing a runaway ball or following noisy students out to recess. Brody's biggest challenge is to win over the apprehensive child that does not want to sit on his blanket. Brody succeeds through patience, love and companionship that only a dog can provide. ### Reviews

*This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom. You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).*
