These facts are related by the evangelists in the gospels, and the fact of the resurrection is recorded by all four of the evangelists. To those who accept the Bible as a divine revelation of God to man, all that is necessary to establish the fact of the resurrection is to read to them the sacred record. But there are many who do not yet see into the promised land with the eye of faith; many who would willingly believe this great miracle, but to whom all things supernatural are unreal.
