Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Practical Exercises on French Conversation: For the Use of Travellers and Students What may justly be considered as the best part of this book is a selection of English-French phrases from the works of Bellenger, Poppleton, Hamoniere, and others. With a few changes in the phraseology, nothing can be better in this line than the dialogues by these old masters, no conversational French can be more correct, elegant, and to the point. But all of them have omitted to supply students with materials for practice, and as memory without practice will not insure fluency in conversation, copious exercises have been added to the dialogues in this work, and it is hoped they will be found as easy as useful. I have given in the Introduction a selection of the leading elementary rules in French grammar, on this principle, that a thing well understood is easily learned and remembered.
