

Running Records for Classroom Teachers

By Marie M. Clay

Scholastic. Paperback. Book Condition: new. BRAND NEW, Running Records for Classroom Teachers, Marie M. Clay, This is a vital exploration of running records - the reliable way to assess text reading - explaining why to use them, how they relate to teaching, and how to administer them. This guide helps teachers record what progress children are making, compare and group children and check how well texts are matched to each child's need for challenge.

Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Mrs. Bridgette Rau MD**

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
