Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Term Limits: A Novel (New edition), Vince Flynn, Fed up with political spin? What if America's leaders were held accountable for their broken promises and made to pay for their corruption? On an overcast night in Washington DC, a group of highly-trained killers embark on a mission of shattering brutality. A shocked country awakens to the devastating news that three of their most powerful and unscrupulous politicians have been violently murdered. In the political firestorm and media frenzy that follow, the assassins release their demands: either the country's leaders set aside their petty, partisan politics and restore power to the people, or they will be held to deadly account. TERM LIMITS is a tour de force of suspense, in which the ultimate democratic ideal - a government of the people - is taken to a devastating extreme.
