Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Lies are exposed to reveal the following: The Nazi salute was performed by public officials in the USA from 1892 through 1942. What happened to the photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth. Public officials in the USA who preceded the German socialist (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and robotic chanting) in those countries and other foreign countries. Explore how the ancient Roman salute myth originated from the city of Rome in the state of New York (not Italy), Francis Bellamy's hometown. Learn about Mussolini's strange gift to the city of Rome, NY: a statue of two human male infants suckling on a female wolf. That statue remains on display in Rome, NY. Learn how the word fascist is related to the word faggot. Discover how the military salute was the origin of the Nazi salute. Read why the Pledge of Allegiance would not be performed by anyone (other than kooks) if the truth were taught in school. Find out who you are, what you are, and how you got to be that way. Also learn who you should blame: your teacher (and the government's schools). Debunk myths about Adolf Hitler, Joseph Stalin, Mao Zedong, Francis Bellamy (and his cousin Edward Bellamy), Fascism, Unionism, Socialism, genocide, swastikas, the Pledge of Allegiance to the flag, the cliche under God, Christianity, ancient Rome, military socialism, crony socialism, and the military-socialism complex. The Pointer Institute proudly presents another news-breaking volume from the Dead...
